## El Grillo

## Josquin des Prez

*Choral Music Public Domain*

*El grillo è buon cantore  
Che tiene longo verso.  
Dalle beve grillo canta.  
Ma non fa come gli altri uccelli  
Come li han cantato un poco,  
Van de fatto in altro loco  
Sempre el grillo sta pur saldo,  
Quando la maggior el caldo  
Alhor canta sol per amore.*

The cricket is a good singer  
He can sing very long  
He sings all the time.  
But he isn't like the other birds.  
If they've sung a little bit  
They go somewhere else  
The cricket remains where he is  
When the heat is very fierce  
Then he sings only for love.

## Little Lamb

## Sherry Porterfield

*Warner Bros., SV9820*

Little Lamb, who made thee?  
Dost thou know who made thee?  
Gave thee life, and bid thee feed,  
By the stream and o'er the mead;  
Gave thee clothing of delight,  
Softest clothing, woolly, bright;  
Gave thee such a tender voice,  
Making all the vales rejoice?  
Little Lamb, who made thee?  
Dost thou know who made thee?

Little Lamb, I'll tell thee,  
Little Lamb, I'll tell thee.  
He is called by thy name,  
For He calls Himself a Lamb.  
He is meek, and He is mild;  
He became a little child.  
I a child, and thou a lamb,  
We are called by His name.  
Little Lamb, God bless thee!  
Little Lamb, God bless thee!

## The Tiger

Sherry Porterfield

*Warner Bros., SV9820*

Tiger, tiger, burning bright  
In the forests of the night,  
What immortal hand or eye  
Could frame thy fearful symmetry?

In what distant deeps or skies  
Burnt the fire of thine eyes?  
On what wings dare he aspire?  
What the hand dare seize the fire?

And what shoulder and what art  
Could twist the sinews of thy heart?  
And when thy heart began to beat,  
What dread hand and what dread feet?

What the hammer? What the chain?  
In what furnace was thy brain?  
What the anvil? What dread grasp  
Dare its deadly terrors clasp?

When the stars threw down their spears,  
And water'd heaven with their tears,  
Did He smile His work to see?  
Did He who made the lamb make thee?

Tiger, tiger, burning bright  
In the forests of the night,  
What immortal hand or eye  
Dare frame thy fearful symmetry?

### A Small Golden Bird

Eric Thiman

*G. Schirmer, 11472*

Had I the heavens' embroidered cloths,  
Enwrought with golden and silver light,  
The blue and the dim and the dark cloths  
Of night and light and the half-light,  
I would spread the cloths under your feet:  
But I, being poor, have only my dreams;  
I have spread my dreams under your feet;  
Tread softly because you tread on my dreams.

Ho, firefly, come,  
there's some water that's bitter to taste,  
come, here's some water that's sweet to your taste;  
ho, firefly, ho,  
up this mountain path.

Firefly's daddy struck it rich, so he's got lots of dough,  
no wonder that his rear end sparkles in the dark.  
Ho, firefly,  
up this mountain path.  
In the daytime hiding 'mongst the dewy blades of grass,  
but when it's night, his lantern burns bright.  
E'en though we've flown all the way from India, zoom!  
and those sparrows swarm to swallow us.

Ho, firefly, come,  
there's some water that's bitter to taste,  
Ho, firefly, come,  
come, here's some water that's sweet to the taste;  
Ho, firefly, come,  
up this mountain path,  
Look! see a thousand lanterns sparkling in the dark,  
ho, up this mountain path.  
Ho, firefly, come

## Puff the Magic Dragon

## Yarrow and Lipton/arr. Hastings

Pepamar Music Corp., P1004

Puff, the magic dragon lived by the sea  
And frolicked in the autumn mist in a land called  
Honali,  
Little Jackie Paper loved that rascal Puff,  
and brought him strings and sealing wax and other  
fancy stuff. Oh

Puff, the magic dragon lived by the sea  
And frolicked in the autumn mist in a land called  
Honali,  
Puff, the magic dragon lived by the sea  
And frolicked in the autumn mist in a land called  
Honali.

Together they would travel on a boat with billowed  
sail  
Jackie kept a lookout perched on Puff's gigantic tail,  
Noble kings and princes would bow whene'er they  
came,  
Pirate ships would lower their flags when Puff roared  
out his name. Oh!

Puff, the magic dragon lived by the sea  
And frolicked in the autumn mist in a land called  
Honali,  
Puff, the magic dragon lived by the sea  
And frolicked in the autumn mist in a land called  
Honali.

A dragon lives forever but not so little boys  
Painted wings and giant strings make way for other  
toys.  
One grey night it happened, Jackie Paper came no  
more  
And Puff that mighty dragon, he ceased his fearless  
roar.  
His head was bent in sorrow, green scales fell like rain,  
Puff no longer went to play, along the cherry lane.  
Without his life-long friend, Puff could not be brave,  
So Puff that mighty dragon sadly slipped into his cave.  
Oh!

Puff, the magic dragon lived by the sea  
And frolicked in the autumn mist in a land called  
Honali,  
Puff, the magic dragon lived by the sea  
And frolicked in the autumn mist in a land called  
Honali.

## Chorale

### The Silver Swan

### Orlando Gibbons

*Choral Music Public Domain*

The Silver Swan who, living, had no note,  
When death approach'd, unlock'd her silent throat.  
Leaning her breast against the reedy shore,  
Thus sung her first and last, And sung no more:  
"Farewell all joys, O death come close mine eyes.  
More geese than swans now live, more fools than wise."

## Il est bel et bon

Pierre Passereau

*Choral Music Public Domain*

*Il est bel et bon, commère, mon mari.  
Il estoit deux femmes toutes d'ung pays.  
Disant l'une à l'autre - "Avez bon mary?"  
Il ne me courrouse, ne me bat aussy.  
Il faict le mesnaige,  
Il donne aux poulailles,  
Et je prens mes plaisirs.  
Commère, c'est pour rire  
Quand les poulailles crient:  
Petite coquette (co co co co dae)e, qu'esse-cy?*

He is handsome and fine, my husband is,  
There were two gossiping women in the village,  
Saying one to the other, do you have a good  
husband?  
He doesn't scold me, or beat me either.  
He does the chores, he feeds the chickens  
And I take my pleasure.  
Really you have to laugh  
to hear the cries of the chicks and hens:  
Co, co, co, co, dae, little flirt, what's this?

## Animal Crackers

### Volume I

- i. The Panther  
The panther is like a leopard,  
Except it hasn't been peppered.  
Should you behold a panther crouch,  
Prepare to say Ouch.  
Better yet, if called by a panther,  
Don't anther.
- ii. The Cow  
The cow is of the bovine ilk;  
One end is moo, the other, milk.
- iii. The Firefly  
The firefly's flame Is something for which science has no name  
I can think of nothing eerier  
Than flying around with an unidentified glow on a  
person's posterior.

# Spider Pig

**Hans Zimmer,  
arr. Steve Rotz**
