Smávinir Fagrir

Smávinir fagrir, foldarskart,
fífill í haga, rauð og blá
brekkusóley, við mættum margt
muna hvort öðru að segja frá.

Faðir og vinur alls sem er,
annastu þennan græna reit.
Blessaðu, faðir, blómin hér,
blessaðu þau í hverri sveit.

Vesalings sóley, sérðu mig?
Sofðu nú vært og byrgðu þig.
Hægur er dúr á daggarnótt.
Dreymi þig ljósið, sofðu rótt!

Beautiful tiny friends, ornaments of the earth
dandelions in the field, red and blue
buttercups, we should remember things
to tell each other.

Father and friend of all that is,
care for this verdant spot.
Bless, Father, these flowers,
bless them in ev'ry place.

Poor buttercup, do you see me?
Sleep peacefully and cover yourself,
slow comes the rest in the dewy night,
dream of the light, sleep tight!
